GLOBAL PERFORMANCE EXCELLENCE AWARD

COMMITMENT TO EXCELLENCE

- The GPEA (introduced in 2000 as IAPQA) is the only formal international recognition of performance or business excellence.
- The GPEA endeavors to bridge the cultural geographic and economic system gap of National Quality Awards (NQA).
- BE Model- Baldrige and EFQM Criteria and its variations customized to meet the needs of various economies
- GPEA Governing Council -Comprise representatives mainly from APQO Core Council and member countries who actively participate in the GPEA initiative.
- GPEA Assessors -Assessors are important part of the GPEA Award process who commit their knowledge, skills, and time to assess GPEA applicants.
- GPEA Secretariat
 - is a key function in the success of the GPEA process.
 - supported by the GPEA Governing Council
 - managed by a APQO Core Council Member who has demonstrated experience in a business excellence award programme
